EVERGREEN SUEZ TRANSIT INTERRUPTED UNTIL FURTHER NOTICE

December 19, 2023

Dear Valued Evergreen Customer:

Due to current conditions and for the safety of ships and crew, Evergreen Line has instructed its container ships to suspend navigation through the Suez Canal until further notice. For long-haul routes connecting Asia to the Mediterranean, Europe and the East Coast of the United States, containerships that are scheduled to pass through the Suez Canal will be rerouted around the Cape of Good Hope to continue their voyages to destination ports.

Evergreen will evaluate developments in the situation and decide when and how to adjust the ports of call on affected services as necessary.

We appreciate your understanding during these circumstances as we work to assure the safe transportation of all cargo.

Should you have any questions, please contact your local Evergreen Sales Representative. A comprehensive contact list can be found by visiting <https://www.evergreen-shipping.us/egsweb/jsp/officelist.jsp>

Thank you for your attention and understanding.
